1986 IRIS LIST

8619 E. ML Avenue
Kalamazoo, Mich.
49001
Phone: 343-1133(616)

Our former customers will find this list somewhat longer than last year's. We have added about 50 Tall Bearded, plus a number of the smaller bearded types and a selection of Siberians. Garden visitors may see some Japanese, Louisianas and Spurias, but we do not have enough to offer them for sale this year.

Prices and terms: The prices listed are for single rhizomes of T.B.'s or divisions of the smaller bearded and siberians. For mail (or UPS), minimum order is \$10.00 (cash with order). No minimum on local orders for "garden pick up. Under \$25.00, please add \$2.50 for UPS, on orders over \$25.00, we will pay the UPS. For those who wish to plant more than one rhizome of a variety, we offer three rhizomes for the price of two (if our stock permits and we are not sold out).

AMERICAN IRIS SOCIETY MEMBERSHIP: Special for non-members. Those who wish may include a payment of \$9.50 for a one-year AIS membership with ANY order of \$10.00 or more, and we will add additional Iris of equal or greater value. Please indicate your preference, which we will honor if possible. The Bacons have been AIS members for nearly 40 years; give it a try!
